MERCED RIVER TRIP DETAILS

Welcome to ZEPHYR WHITEWATER and the MERCED RIVER! Although the churning waters of the Merced River do not look particularly “merciful” to today’s rafters, it was a different story in 1806, when Lieutenant Gabriel Moraga and his men named the river *Nuestra Senora de La Merced* (Our Lady of Mercy).

The following detailed information and maps are designed to give you a smooth and enjoyable whitewater vacation. If you have any questions about any of the following information, feel free to give our office a call. During periods of high water or inclement weather, it is advisable to call our office to check in 2 days before your trip.

MEETING TIMES & PLACE

NOTE: as of the 2019 rafting season, our meeting location for our Merced River trips has changed. We no longer meet at the Indian Flat RV Park. ONE-DAY TRIP LOGISTICS:

Your head guide will meet you at **9:30 AM** the morning of your trip at our staging area. After a brief orientation talk, wet-suits will be passed out, cars locked, and we will set out for a great day on the River. We will raft 16 miles, with a stop for lunch along the way. Depending on water levels (the higher the water, the faster the trip!) we will have you back to your vehicles between 3:30 and 5:30 in the afternoon.

HALF-DAY TRIP LOGISTICS:

Morning trips meet at 8:00 AM and return at about 12:30 pm
Afternoon trips meet at 1:30 PM and return at about 6:00 pm

We will raft 11 miles, ending at Briceburg where you will board our shuttle for the drive back to your car. LUNCH IS NOT PROVIDED ON 1/2-day trips—only beverages. Late Season 1/2-day trips will raft the 5.5-mile Gorge section.
